

Launching of International Express Money Order (IEMO) with Malaysia

Bangladesh Post Office and Malaysia Post Office signed an agreement to send electronic money order from Malaysia to Bangladesh. Sending cost will be very low and sending process will be very fast. This agreement has come into force from 1st June 2015. A sender can send any amount of money with only 8 Malaysian Ringgit. At the time of sending money, Malaysia Post will provide him a PIN. Sender will communicate this PIN and the amount in dollar to his beneficiary in Bangladesh . Message will come to Bangladesh Post's server within 2/3 minutes. An SMS will be sent to beneficiary's cell phone about the remittance along with a secret PIN. Beneficiary will collect his money from Post Office showing these two PIN to Paying Postmaster. Beneficiary must bring his national ID or any valid Photo ID at the time of payment.

Remittance through IEMO can be made from more than 700 Post Offices in Malaysia and from all Mobile Post Offices. Payment will be made from any of the 2750 Post Offices in Bangladesh, which are authorised to make payment of Electronic Money Orders.
